

We Learn, We Build, We Play with...
LEGO® Bricks

AFTER SCHOOL CLASSES

**After School Enrichment Classes
using LEGO® Bricks, motors, creativity,
and imagination.**

This is a hands-on class where students will design and build educational models including motorized machines. Students will learn fundamentals of math, engineering, science, and much more.

The Chula Vista Elementary School District neither sponsors nor endorsed this information, activity, or organization. Distribution of this material is provided by the district as a community service. Any questions or comments should be directed to the sponsoring organization.

Wednesdays 3:00-4:00

Jan 22, 29, Feb 5, 12, 19, 26

"Space Adventures"

Each week students will learn about real life space exploration and build models related to the NASA space program. Models include a satellite, lunar module, an orbiter, and other space training equipment.

\$75 / 6 week session

Classes held at Camarena Elementary

Room location will be sent out after registration
